

Thank you for your interest in letting WordMp3.com service your ministry by hosting your audio broadcasts. Our aim is to provide resources for growth in a full-orbed Christian world and life view. We were the first online audio library of mp3 Christian world and life view audio instruction available (when we opened in June of 2000). We currently list thousands of audio talks, sermons, lectures and courses which equal over 5000 hours of excellent, world-shaping teachings. And we are adding more every day. There are several reasons that I feel confident to recommend this service to you.

**Ease of Use.** As a busy pastor, I understand the need for an easy and quick system to make the most recent sermons and instruction available, so we developed this audio hosting solution. This is a *three minute solution* to publishing your latest message (and I mean that it really takes about that long to get the latest sermon online and updated on both on the WordMp3 site and my church website). For example, the [All Saints website](#) is automatically updated after an upload! No special software or FTP program is needed to regularly maintain your mp3 audio broadcasting site. Simply fill in the

**Theologically Diverse, Yet Seriously Christian.** WordMp3.com features a number of prominent speakers from across the Christian landscape. Many of our speakers are nationally and internationally known writers, speakers and scholars, such as John MacArthur, John Piper, D.A. Carson, Wayne Grudem, William Lane Craig, J.P. Moreland, N.T. Wright, Albert Mohler, Kevin J. Vanhoozer, Gregory Beale, William A. Dembski, Roger Nicole, John Warkwick Montgomery, Samuel E. Waldron, Peter Enns, Greg Bahnsen, Leland Ryken, Gary Habermas, Vern Poythress, Joel Beeke, Robert Clouse, Stephen Nichols, Calvin Beisner, Douglas Geivett, Millard Erickson, John Carrick, Darell Bock, Don Garlington, J.I. Packer, Robert Godfrey, and many more. We currently distribute the [Evangelical Theological Society's annual conferences](#) as well as a number of regional ETS meetings ([full list of our speakers](#)). This content attracts listeners that are interested in historical Christian perspectives with solid Biblical convictions.

**Reach Those Committed to Christian Education.** WordMp3.com draws in the Christian education community by hosting the Association of Classical & Christians Schools conference audio and Veritas Press conference audio, as well as any number of well known home schooling speakers, such as Drs. George Grant and R.C. Sproul, Jr and more.

**Cost Effective.** The cost of this opportunity to reach more people with preaching and teaching from God's Word is significantly lower than competitive sites which tend to have a more "fundamentalist" connotation, rather than a serious, scholarly and historic Christian appeal (e.g., SermonAudio.com). Further there is only one flat price for a year or two year commitment with no other fees, regardless of how many messages you upload. Currently our flat rate is \$250 per year and there is a 25% discount for non-profit ministries. We are happy to work with you for an alternative payment structure, if you prefer.

**CD Fulfillment Services.** We can also fulfill audio CD or Mp3 CD orders for you at no expense to your ministry. [Here is an example](#) of a "free download" which may also be purchased on CD media.
