Letter to the Conference Attendees

Welcome to the annual spring meeting of the ETS Eastern region. The theme of this year's conference is Ecclesiology: Theology of the Church in a Secular Age. We will have a special reception on Friday evening with hors d'oeuvres and live music.

I would like to thank my fellow Eastern region officers for all their help in putting together this year's conference. I would especially like to thank Regent University for hosting this year's meeting. It has been a pleasure working with the leaders at their School of Divinity in the planning of the conference.

ETS Doctrinal Basis

"The Bible alone, and the Bible in its entirety, is the Word of God written and is therefore inerrant in the autographs. God is a Trinity, Father, Son, and Holy Spirit, each an uncreated person, one in essence, equal in power and glory."

"To foster conservative Biblical scholarship by providing a medium for the oral exchange and written expression of thought and research in the general field of the theological disciplines as centered in the Scriptures." (Constitution, Article II.)
